CLERK: Mr. President, along that line there are some amendments which are being authored by Senator Carpenter that--

SPEAKER: Would you want to read them so they can be printed in the Journal? I think that would be quite proper. You have no objections to that do you, Senator Snyder? To read these amendments so that they can be put into the Journal and the body can consider.

CLERK: Read.

SPEAKER: Alright, now the question is shall LB 204 be bracketed for one week. Is there any further discussion? Senator Snyder.

SENATOR SNYDER: ---members of the Legislature, could we just ask for unanimous consent?

SPEAKER: I'll do that then. Senator Barnett.

SENATOR BARNETT: Mr. President, I have a question. Can these amendments and everything be authored--printed in the Journal like you are talking about, is this the proper time to ask that beings it is a new bill or has substance of a new bill that it be sent back to a committee for public hearing.

SPEAKER: Well, I think you could make that a motion that it be returned to--Senator Barnett, I think it would---Yes, I think you could make the motion. I think it might be more proper, but that's up to you, to let us print these in the Journal and then hold your motion until Monday out of courtesy to the introducer who is gone, but if you desire to take that up there is nothing to stop you.

SENATOR BARNETT: It doesn't make any particular--

SPEAKER: Yes, we do have a pending request to bracket. I wonder if the introducer of that would care to comment whether he wants to bracket or send it back. Senator Snyder.

SENATOR SNYDER: Certainly, where were you when I needed you?

UNIDENTIFIED: I was sitting here voting the other way. I changed my mind. God love you.

SENATOR SNYDER: No sir, I would like to have this bill bracketed out of courtesy to the introducer and I think that according to the information I have he should be amongst us once again on that glorious Monday, a week hence, and I would like him to be here when we take any further action on it. It is just like a new ball game then, isn't it. You send in new substitutes. That's what I'm doing here, but I haven't changed the rules or the lineup.

SPEAKER: Senator Barnett, I trust that you are exceeding to Senator Snyder. Are you now ready for the question? He asked for unanimous consent, are there any objections? If there are no objections, it is so ordered and it is ordered that these amendments be printed in the Journal.

CLERK: Mr. President, we have notice of committee hearings. Read.

SPEAKER: Are there any motions to reconsider?

CLERK: None, Mr. President.

SPEAKER: Is there any other business on your desk, Mr. Clerk?

CLERK: I have just one new bill, Mr. President. Read title. LB 263.
